

PRINCE2™ Practitioner

Procept Associates Ltd. has partnered with Amberwing Ltd. to provide the PRINCE2™ Practitioner course. This 2-day course is designed to provide participants with a thorough working understanding of the PRINCE2™ structured project management method. It will enable you to use the method when managing a PRINCE2™ project and to pass the PRINCE2™ Practitioner examination.

LEARNING OBJECTIVES

The course equips participants not just to understand the broad range of PRINCE2™'s processes and components. The aim during the course is to achieve an effective balance between exam success and the need for skills transfer.

WHO SHOULD ATTEND

The PRINCE2™ Practitioner course is appropriate for individuals who are:

- Managing projects and now require formal PRINCE2™ training.
- Involved in some form of project support activity.

Note: Participants are required to undertake preliminary study using the provided Pre-Course Workbook. Further self-study is also expected during the evenings of each course day.
